Dear Chamber Member,

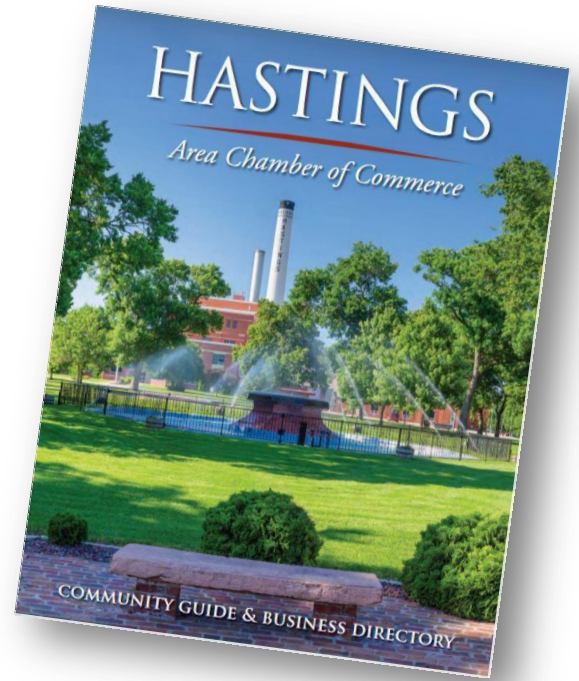

The Hastings Area Chamber of Commerce is proud to announce our partnership once again with Town Square Publications to produce our **New 2021-2022 Community Guide and Membership Directory**. This full color high quality publication will help you market your business directly to area business owners, neighborhood residents and visitors.

The included *Membership Directory* within the *Community Guide* is a remarkable advertising tool, highly visible and is a publication that businesses and residents keep on hand for easy reference.

In addition, the entire publication will be replicated online via the chamber at www.hastingschamber.com and Town Square's National Community Network, further extending the exposure of your advertising message and increasing your search engine optimization.

Among the Many Advertising Benefits Available in the Publication:

- All advertisers will be offered the Town Square Publications "Digital Package". Components available are business website banners, editorial chapter ads and video commercials.
- Premium position advertisers receive the entire digital package at no additional cost.
- Center spread fold-out community map with advertising business locators.
